SHANGHAI MUNICIPAL POLICE	
File No. S. B. REGISTRY.	
No. D.	5612
SECTION 2	Stationary
Date	January 8, 1934

Subject (in full) Application from Mr. A. E. Golubeff for assistance.

Made by D. S. I. Prokofiev.

Forwarded by D. I. Gubent

Mr. A. E. Golubeff, a clerk in the employ of the Passport Section of the Shanghai Bureau of Public Safety, applied to Mr. Smith, Doctor i/c Municipal Sanatorium for tuberculars, for admittance of his wife suffering from tuberculosis into the Sanatorium. According to our information the only obstacle in the way of granting this application is the fact that Golubeff has been resident in the Settlement for about a month only while the regulations stipulate 6 months residence in the Settlement before this privilege can be granted. It is understood, however, that Dr. Smith is prepared to admit Mrs Golubeff into the Sanatorium if he had some document which could serve as an excuse for making the case an exception from the regulations in force.

Mr. Golubeff's services to the Municipal Police in the matter of furnishing information regarding criminal and political suspects of non-treaty nationality have been most valuable.
